

## About MexiPass<sup>®</sup>

MexiPass<sup>®</sup> was founded in California in 1989 to provide Mexican Insurance and International Risk Management services to all licensed insurance agents and brokers in the United States.

Since then, we have become the leading Managing General Agent for placement of insurance in Mexico, serving over 10,000 agents and brokers, ranging from small agencies to worldwide brokerage firms, providing quality international coverage.

Our Products include comprehensive Business Insurance solutions for Property, Liability and Automobile risks for American entities in Mexico and quality Personal Insurance Programs for Automobiles, Homes and Family Protection for Americans in Mexico. We also assist our Producers with risks and placements in other foreign countries.

## Our Carriers

At MexiPass<sup>®</sup> we are very selective about the insurance companies we represent. We will only place business through insurance carriers with:

- Superior Financial Strength
- Proven Reputation
- True International Experience
- Demonstrated ability to provide the level of service expected by our Producers for their clients.

MexiPass<sup>®</sup> maintains a long-lasting General Agency and Underwriting Management Agreement with AIG-Mexico, as well as very solid relationships with AIG, CHUBB, ING, GNP and other leading international insurance underwriters.

Through years of building relationships and trust with our carriers, at MexiPass<sup>®</sup> we are able to negotiate and secure conditions that will very closely resemble the coverage levels and standards available in the US market.

# Products & Services

MexiPass® has exclusive programs, products and markets for most Personal and Commercial Insurance needs for Americans with international exposures.

From a simple automobile policy for Mexico, to a more complex commercial package involving several countries, MexiPass® will provide quality insurance coverage with top rated international Insurance Companies.

The MexiPass® Programs are simple self-raters available online at the MexiPass® E-Business Center.

For other Personal or Commercial risks, Producers may submit Acord® and/or any other applications they would normally use...MexiPass® does the rest.
